

Supplier: Trade name
Description

Lord Corporation: Chemlok, Ty-Ply, Chemglaze, Lord, Lord HPC

Rubber-To-Metal Primers/Adhesives/Cements/Top Coats; Epoxy, Acrylic, and Urethane Structural Adhesives; Protective coating systems.

Dow Corning: Silastic, Xiameter

Liquid and high-consistency silicone rubber compounds, based on dimethyl-, dimethyl vinyl-, phenyl-, and trifluoropropyl-substituted polysiloxanes.

Lanxess Corporation: Therban, Baypren, Bayer Butyl, Buna EP, Krynac, Perbunan, Buna CB, Taktene, Levapren, Vulkacit, Vulkanent, Vulkanox, Vulkazon, Renacit, Vulkanol, Cohedur, Desmodur, Vulkasil Butyl rubber IIR, Acrylonitrile-butadiene rubber NBR, Hydrogenated acrylonitrile-butadiene HNBR/HXNBR, Polychloroprene CR, Ethylene-vinyl acetate EVM, Ethylene-propylene rubber EPDM, Butadiene rubber PBD; Accelerators, retarders, antioxidants, antiozonants, peptizing agents, plasticizers, internal bonding agents, fillers.

Rhein Chemie: Rhenogran, Rhenoslab, Poly-Dispersion, Wyfire, Curebeads, Elast-O-Flux, Aktiplast, Aflux, Rhenosin, Rhenopren, Antilux, Rhenodiv, Levaform, Rhenofit, Rhenocure, Scorchguard, Zic-Stick, Rhenofluor

Polymer-bound chemicals/additives; Processing promoters; Antioxidants, antiozonants.

3M Dyneon

Fluoroelastomer Copolymers, Terpolymers, Base Resistant Elastomers (BRE's), Low Temperature Fluoroelastomers (LTFE's), Perfluoroelastomers, Additives.

TSE Industries: Millathane, Thanecure, Caytur

Millable polyurethane elastomers; Polyurethane curatives.

Hallstar Corporation: Suprmix, Plasthall, Paraplex, Tegmer, Hallcote, Quikote, Maglite

Dry liquid concentrates, liquid plasticizers, slab-dips, rubber-grade magnesium oxide.

Cancarb Ltd: Thermax, Continental

Thermal and furnace carbon blacks.

Franklynn Industries: Crystal, DiamondKote

Rubber-grade mold releases.

Alpha Technologies

Rubber Process Analyzers (RPAs), Advanced Polymer Analyzers (APAs), Moving Die Rheometers (MDRs), Oscillating Disk Rheometers (ODRs), Mooney Viscometers (MVs & VSMS), T10K/Tensometer 2000.

VMI Americas: Cooling conveyors, batch-off units and stackers.

Mesabi Control Engineering Mix Vision Control Systems

H.W. Wallace: Laboratory testing equipment.

Burlan Corporation: Cotton and polyester curing tapes.

Glo-Mold Mold Cleaning Compounds

R. Murphy Knives

R.D. ABBOTT COMPANY, Inc.
